Cyflwyniad - Introduction

The Society is looking forward and delighted to be able to stage Poultry, Pigeon and Egg Shows at this year's event.

We are keen to do this responsibly in line with the general license to ensure that the health and welfare of the birds are maintained.

We are also keen to stage the shows to support exhibitors who have kept breeding the standard of diverse stock during a prolonged difficult period due to this notifiable disease.

We would like to take this opportunity to thank you for your dedication and perseverance and for continuing to support these competitions.

Therefore, in line with the rules and regulations within the 2026 schedule and in particular the EXD 178(AI) The Welsh Government – Assimilated Committee Implementing Decision (EU) 2018/1136 The Avian Influenza (Preventative Measures) Regulations 2006 – General License to arrange a show involving the collecting together of poultry in Wales we all need to abide by the rules set out we would like to safely stage these Shows.

For full information on the license please find the link below:

<https://www.gov.wales/bird-gatherings-general-licence-poultry>

Please ensure that you have read and understood this and can comply with all requirements, we would advise that you also carefully consider the recommendations therein.

Please also refer to the notes at the back of the schedule in relation to this.
